### **ABOUT MEALS ON WHEELS YOLO COUNTY**

The Meals on Wheels concept first arrived in Yolo County 50 years ago, when the need for low-income, homebound seniors to receive nourishing meals was identified by compassionate volunteers. By 1975, demand had increased, and the nonprofit now known as People Resources, Inc. – operating as Meals on Wheels Yolo County – took the lead to ensure the continuity of this important work. Not surprisingly, the service level has grown more than 50 times larger since those early days. Approximately 485 Yolo County seniors in need of assistance are now provided with five nourishing meals each week via three weekly wellbeing visits by a

trained, caring volunteer. Focused upon building the organization's capacity and operational fortitude, "Operation Accelerate" is speeding ahead Meals on Wheels Yolo County's ability to nourish more seniors in more Yolo County communities, more nutritiously and more equitably in the near future.

All positions at Meals on Wheels Yolo County serve as ambassadors to ensure the resources needed for our success, and an innovative, entrepreneurial spirit is encouraged to accomplish both individual and organization-wide objectives.
